**NOTES:**

The above professional fees **do not include substantive patent work** such as drafting applications, answering official actions, drafting amendmens, arguments and statements of grounds, meeting with clients and the like. Similary, they do not include travel expenses, translations costs that may arise nor any courier disbursements.

**- Abbreviations:**

OEPM = Spanish Patent and Trademark Office

EPO = European Patent Office

IPEA = International Preliminary Examination Authority

- Once the international phase has been completed, the application must enter the national phase in each country of interest. This involves further charges apart from the above stated.
- Official fees are established in CHF, thus the amounts in Euro may vary. Besides they might also be affected by discounts or increases in certain cases.
- If the intervention of a local agent is required, the local agent costs as well as the official fees will be charged. If more than one priority document is requested, our professional fees will be 200 EUR.
- This amount will be invoiced together with the filing costs.

**Schedule of Charges - April 2018 - EUR**
