Filing a Demand for preliminary examination (IPER)			
- EPO as IPEA	1830	300	2315
- OEPM as IPEA (possible if Spanish applicant)	590	300	1075
- Handling fee	185		
Reporting the written opinion	--	--	
Replying to the written opinion	--	300	300
<b>Other</b>			
- Recordal of an assignment or change of name	--	300	300
- Other actions with the Patent Office (basic fee)	--	120	120

### NOTES:

The above professional fees **do not include substantive patent work** such as drafting applications, answering official actions, drafting amendments, arguments and statements of grounds, meeting with clients and the like. Similarly, they do not include travel expenses, translations costs that may arise nor any courier disbursements.

- Abbreviations:

OEPM = Spanish Patent and Trademark Office

EPO = European Patent Office

IPEA = International Preliminary Examination Authority

1. Once the international phase has been completed, the application must enter the national phase in each country of interest. This involves further charges apart from the above stated.

2. Official fees are established in CHF, thus the amounts in Euro may vary. Besides they might also be affected by discounts or increases in certain cases.

3. If the intervention of a local agent is required, the local agent costs as well as the official fees will be charged. If more than one priority document is requested, our professional fees will be 200 EUR.

4. This amount will be invoiced together with the filing costs.
